How to reach us:BY CAR from the A10 motorway, take the Genova Airport exit and follow the “Centro Città” (City centre) signs for 2 kms, then take a left turn at the traffic light following the indications to IKEA. Drive past IKEA (on your right) and at the first Stop turn left and immediately right at the first big gate which gives access to the INFM premises, Villa Balbi Brignole.
BY TRAIN

from the “Piazza Principe” railway station (and even Genova Brignole station), take a local westbound train (the most frequent ones go to Genova Voltri) and get off at Genova Sampierdarena (south exit), walk straight to Via Avio, where the terminus of bus lines 63 or 63/ is located.
Get off the bus at IKEA (seventh stop), cross Via Perrini and Corso Perrone and enter the gate on the right of the street.
BY AIR

The Volabus service leaves the Cristoforo Colombo Genova Airport (Arrivals level) every hour (final destination Piazza Principe railway station). Get off at the Piazza Massena stop, cross Via Cornigliano (via underpass) and take bus 63 (or 63/, direction Pontedecimo), get out at the fourth stop (IKEA), cross Via Perrini and Corso Perrone and enter the gate on the right.
Alternatively, a taxi ride from the Airport to INFM (about 2 kms) costs approximately 12 €.
